MOVE is a research foundation whose aim is to promote frontier research in economics in cooperation with the Universitat Autònoma de Barcelona, and with the Institute of Economic Analysis (CSIC). The three institutions are located in the Bellaterra Campus of UAB, and have a long tradition in research and advanced teaching.

Health Economics: New Technologies, Adoption and Hospital Management

November 28, 2017
Casa de Convalescència (UAB)
Sant Antoni Maria Claret, 171
08041 Barcelona

This workshop is supported by FUNDACIÓN RAMÓN ARECES through the ongoing Framework Agreement with MOVE since October 2014. MOVE is grateful for its continuous support.
